# WELCOME to the 37th Annual Ventura County Greek Festival!

*"Welcome one another, therefore, just as Christ has welcomed you, for the glory of God." - Romans 15:7*

On behalf of St. Demetrios Greek Orthodox Church we would like to welcome you to our 37th annual Ventura County Greek Festival. We are proud to be Americans and live in a country which also allows us to preserve our rich Hellenic culture.

Our Festival is a way to share our Greek Culture and Heritage with friends from all over Southern California. Our Christian Faith is the inspiration behind the food and fun. We are a Greek (Eastern) Orthodox parish, part of the oldest Christian tradition, dating to 33 A.D. We trace our roots back to the Apostles and their teachings. We hold fast to the moral, theological, and liturgical traditions of the Early Christian Church. The Orthodox Church is the second largest Christian church, with 300 million followers.

*Our new Agape Building*

Our Festival supports the construction of our recently dedicated Agape Building. We'll be moving into our new home this summer. The Agape Building has a chapel, space for meetings, a kitchen and offices. After a decade of working toward this dream, we are incredibly proud and excited! As thrilled as we are, we do have a mortgage for the first time in 20 years. Every dollar raised goes toward paying down that mortgage.

We thank you for joining us and supporting our endeavor to create a center for Hellenism and Orthodoxy in Ventura County. The Greek culture is one of the warmest, most welcoming in the world and we want you to feel that whether you're in it for the weekend or like us, for the long haul, you are part of our heritage and our success. Remember, you do not have to be Greek to celebrate the Orthodox Faith. OPA!
